

Accident report

You had an accident with another road user or damaged the property of others while driving your Dance vehicle? Then please proceed as follows:

1. Make sure that the accident site is secured and injured persons receive medical care
2. Call the police
3. Take photos on site of:
 - a. The accident site
 - b. Damage to the dance vehicle (all four sides)
 - c. The damage to the opposing vehicle (all four sides) or the objects (fence, sign, object, other obstacle)
 - d. The police record sheet, on which the file number is clearly recognizable
4. Note the following information:
 - a. License plate number and model designation of the vehicles involved
 - b. Name, address, telephone number and e-mail address of all parties involved in the accident and witnesses
5. Contact us if your Dance vehicle needs to be picked up at the accident site
6. Complete this accident report and send it to concierge@dance.co within one week together with all the photos requested above.

Please note that according to our terms and conditions, penalties will apply if the accident report is not sent to us within seven days after the accident or if certain information is not true.

Participants and witnesses

Who rented the dance vehicle (customer)?

Name: _____

Address: _____
